EDUCATION:

Ph.D. in Economics, Duke University, 2022

Fields: Development Economics, Labor Economics, Migration Economics

Committee: Duncan Thomas, Erica Field, Daniel Xu, Arnaud Maurel

Title of Thesis: *Essays on the Economics of Immigration in Colombia*

M.Sc. in Economics, Duke University, 2018

B.A. in International Economic Development, Tufts University, 2014 (summa cum laude)

EMPLOYMENT:

Economist, The World Bank, Social Protection (SP) Global, Washington, D.C. (September 2023 – Present)

- Core member of the SP Global Migration group, supporting country teams with migration-related projects and fostering dialogue with countries, international organizations, and the private sector on topics such as bilateral labor agreements, international labor intermediation, and skills training for migrants
- Core author of *Global Skill Partnerships for Migration: Preparing Tomorrow's Workers for Home and Abroad*
- Supported *Enhancing Global Skill Partnerships and Regular Circular Migration between Latin America and Spain*, in particular with a labor demand assessment to inform training and migration pathways in Spain
- Led labor market assessments to inform skills and mobility operations in Pakistan and Ethiopia
- Implementation support and technical guidance to the Ethiopian Ministry of Labor & Skills for an operation on results-based financing for skills training (*Ethiopia Education and Skills for Employability Project*)
- Economic analysis, poverty analysis, and design support for *Ethiopia Rural Productive Safety Net Program 6*
- Coordinated a policy framework on lifelong learning and skills development for adults and out-of-school youth with SP and Education Global Practices
- Co-led the development of the People sector methodology for the Corporate Scorecard indicator on “More and Better-Paid Jobs” in coordination with Health, Education, and IFC

Economist, The World Bank, Poverty & Equity Eastern and Southern Africa, Washington, D.C. (2022 – 2023)

- Led two chapters of the report *Expanding Development Approaches to Refugees and their Hosts in Ethiopia: Jobs & Livelihoods and Social Cohesion between Refugee and Host Communities*
- Led a chapter of the 2024 *Ethiopia Poverty Assessment* on conflict and forced displacement
- Designed and delivered a 5-day workshop on data management and analysis for the Ethiopian Statistical Service
- Contributed to the *Africa Poverty and Inequality Flagship Report* with a machine learning analysis of inequality of opportunity in Sub-Saharan Africa

Research Associate and Office Manager, J-PAL/Ideas42, Chennai, India (2015 – 2016)

- Study oversight, surveyor management, data monitoring and analysis, and stakeholder engagement for the project *The Economic Costs of Low Caloric Intake* among cycle rickshaw peddlers in Chennai

Data Analyst, Innovations for Poverty Action, Mexico City, Mexico (2014 – 2015)

- Data management, impact analysis, cost-effectiveness analysis, and surveyor coordination for the project *Screening and counseling for female victims of intimate partner violence in Mexico City*
